

CYSTIC FIBROSIS PROVIDERS

February 17, 2006

Claims for CF Cardholders Over Age 21

Effective February 28, 2006, except for controlled substances, the Cystic Fibrosis Program will no longer reimburse Cystic Fibrosis Providers for any products on the CF program formulary dispensed to cardholders over age 21. Claims will deny with a CF Error Code “741”; NCPDP Error Code “AD”.

All Cystic Fibrosis cardholders over age 21 have been notified that they must enroll with the Cystic Fibrosis Foundation Pharmacy Service and that all prescriptions, except for controlled substances, must be submitted to the Cystic Fibrosis Foundation Pharmacy Service.

Policy questions should be directed to the Department of Health at:

1-877-PA HEALTH (1-877-724-3258)

Claims questions may be directed to Provider Services at:
