

CYSTIC FIBROSIS PROVIDERS

August 11, 2006

Pancreatic Enzymes

Effective September 5, 2006, the Adult Cystic Fibrosis Program will no longer reimburse for Pancreatic Enzymes.

Patients must apply to the manufacturer's patient assistance program to receive this medication. If denied, the Adult Cystic Fibrosis cardholder may appeal to the Department of Health to have this benefit restored.

Patients with policy questions should be directed to Ms. Jane Wolfe, Public Health Program Administrator, Department of Health at:

(717) 772-2762

Pharmacists with claims questions should direct them to Provider Services at:
