MEDICARE PART D
ADDITIONAL CARDHOLDERS

January 6, 2011

Enclosed is an **ADDITIONAL** list of Medicare Part D cardholders.

Although these cardholders DID NOT appear on the earlier list, their Part D Partner Plan eligibility also began on January 1, 2011.

Also, as stated in the notice that accompanied the previous list, although 2 of the 3 plans are the same as in 2010, some cardholders may have been moved into another plan that better serves their needs. Please review your member's record to be sure the correct plan is on your file.
