Rewards/Loyalty/Gas Points Programs

Questions have been received by the Department of Aging regarding the OIG's position on rewards programs in respect to Federal health care programs.

This federal decision **DOES NOT** change the PACE program's prohibition on rebates.

Co-payments **cannot** count toward any program such as, but not limited to, Rewards/Loyalty or Gas Points.

Questions may be directed to Provider Services at 1-800-835-4080
