

# PACE

## PROVIDER BULLETIN

September 30, 2014

### **ProDUR Edit Additions**

Effective October 22, 2014, the following pharmaceuticals will be included in the PACE Prospective Drug Utilization Review (ProDUR):

#### **THERAPEUTIC DUPLICATION**

**Adempas®**, **Opsumit®**, **Tracleer®**,  
**Letairis®**, **Adcirca®**, **Ventavis®**,  
**Flolan®**, **Veletri®** and **Revatio®**

#### **PLAN PROTOCOL**

**Naftin®** and **Zorvolex®**

Claims for Naftin® and Zorvolex® will be stopped at the point of sale with a “Call Help Desk” message. Providers should contact Provider Services at 1-800-835-4080. A Medical Exception *may* be granted upon review.
