Early Refill Edit Reinstatement PACE/CRDP/PAP

The Early Refill edit that was temporarily lifted due to Covid-19 concerns will be reinstated effective Monday, August 2, 2021.

Also effective Monday, August 2, 2021, the temporary override for quantities greater than 100 and a day supply greater than 30 will also be lifted, when PACE is the primary payer.

As stated in the Provider Manual, PACE legislation states that payment for prescription drugs must be limited to a 30- day supply or 100 units (tablets or capsules), ***whichever is less***. Liquids, ointments, ophthalmics, powders, inhalers and other drug forms are subject to the 30- day supply restriction.

Questions may be directed to Provider Services at 1-800-835-4080.
