NEW PACE Legislation

Effective February 21, 2022, the PACENET eligibility income will be increased and the accumulation of the PACENET premium eliminated.

This change:

- **increases PACENET eligible annual income.**
 - **For Single Person--** not less than \$14,500 and not more than \$33,500
 - **For a Married Couple--** not less than \$17,700 and not more than \$41,500

- **eliminates the accumulation of the PACENET premium and the accumulation of the Medicare Part D premium for the PACE Partner Plans.**
 - Collection of **up to** 1-month premium + any applicable copay will occur at the pharmacy on the months medications are dispensed.
 - The amount paid by the cardholder **will not** exceed the cost of the medication.
 - If the amount paid by cardholder for the month is less than the 1-month premium, remaining premium **will not** be charged in a future month.
