## PROVIDER BULLETIN

October 12, 2017

### NON PARTICIPATING MANUFACTURERS

Effective **November 13, 2017**, pharmaceuticals from the following manufacturers will no longer be reimbursed by the **Special Pharmaceutical Benefits Program1 (SPBP1)**. This action is a result of the manufacturers failing to pay rebates.

Recognizing the impact this large number of non-participating companies will have, this list is being released 30 days in advance of the **November 13, 2017** termination date. Providers using products from these manufacturers may wish to explore alternative sources when possible.
